
Aerospace Customer Services

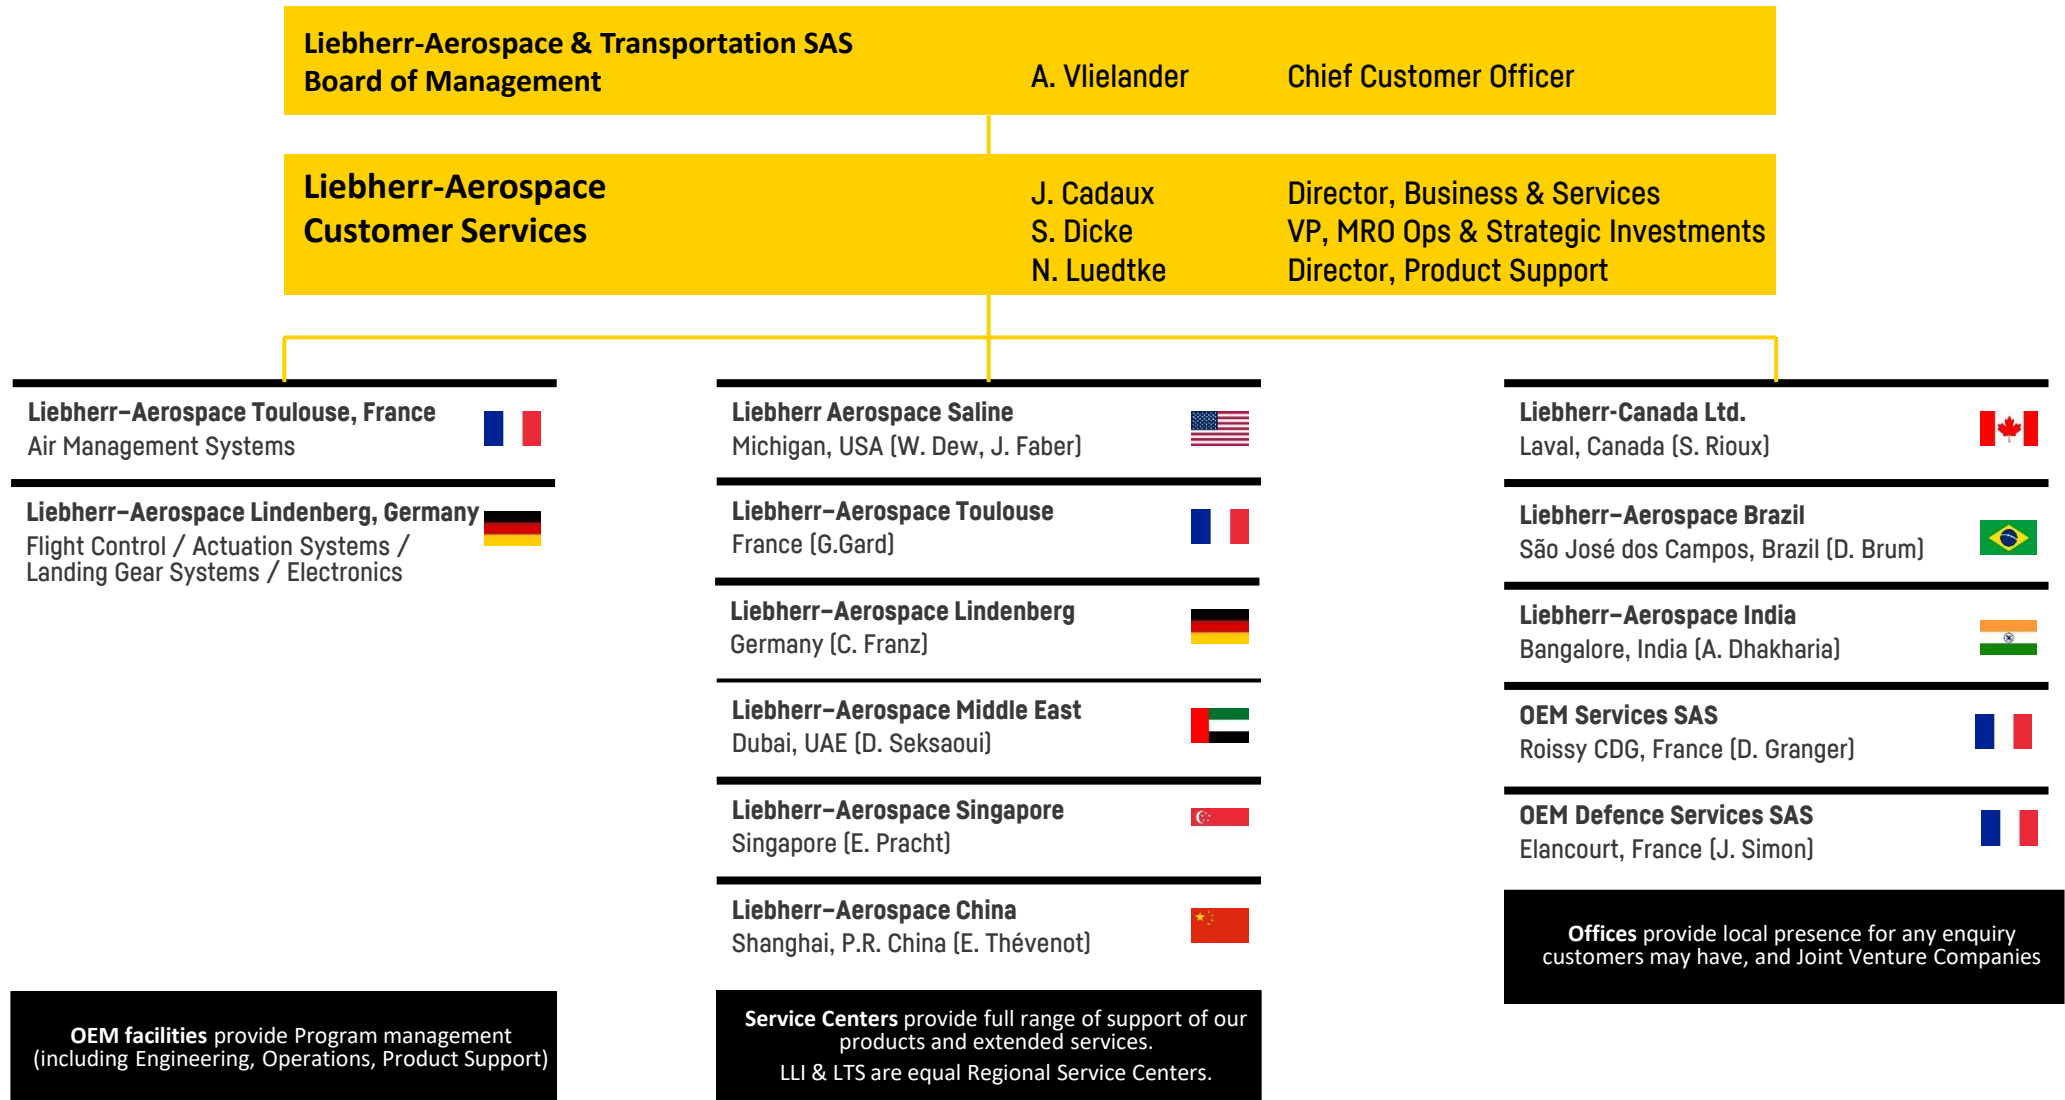

2022

LIEBHERR

Liebherr-Aerospace & Transportation

Customer Services Organization

OEM facilities provide Program management (including Engineering, Operations, Product Support)

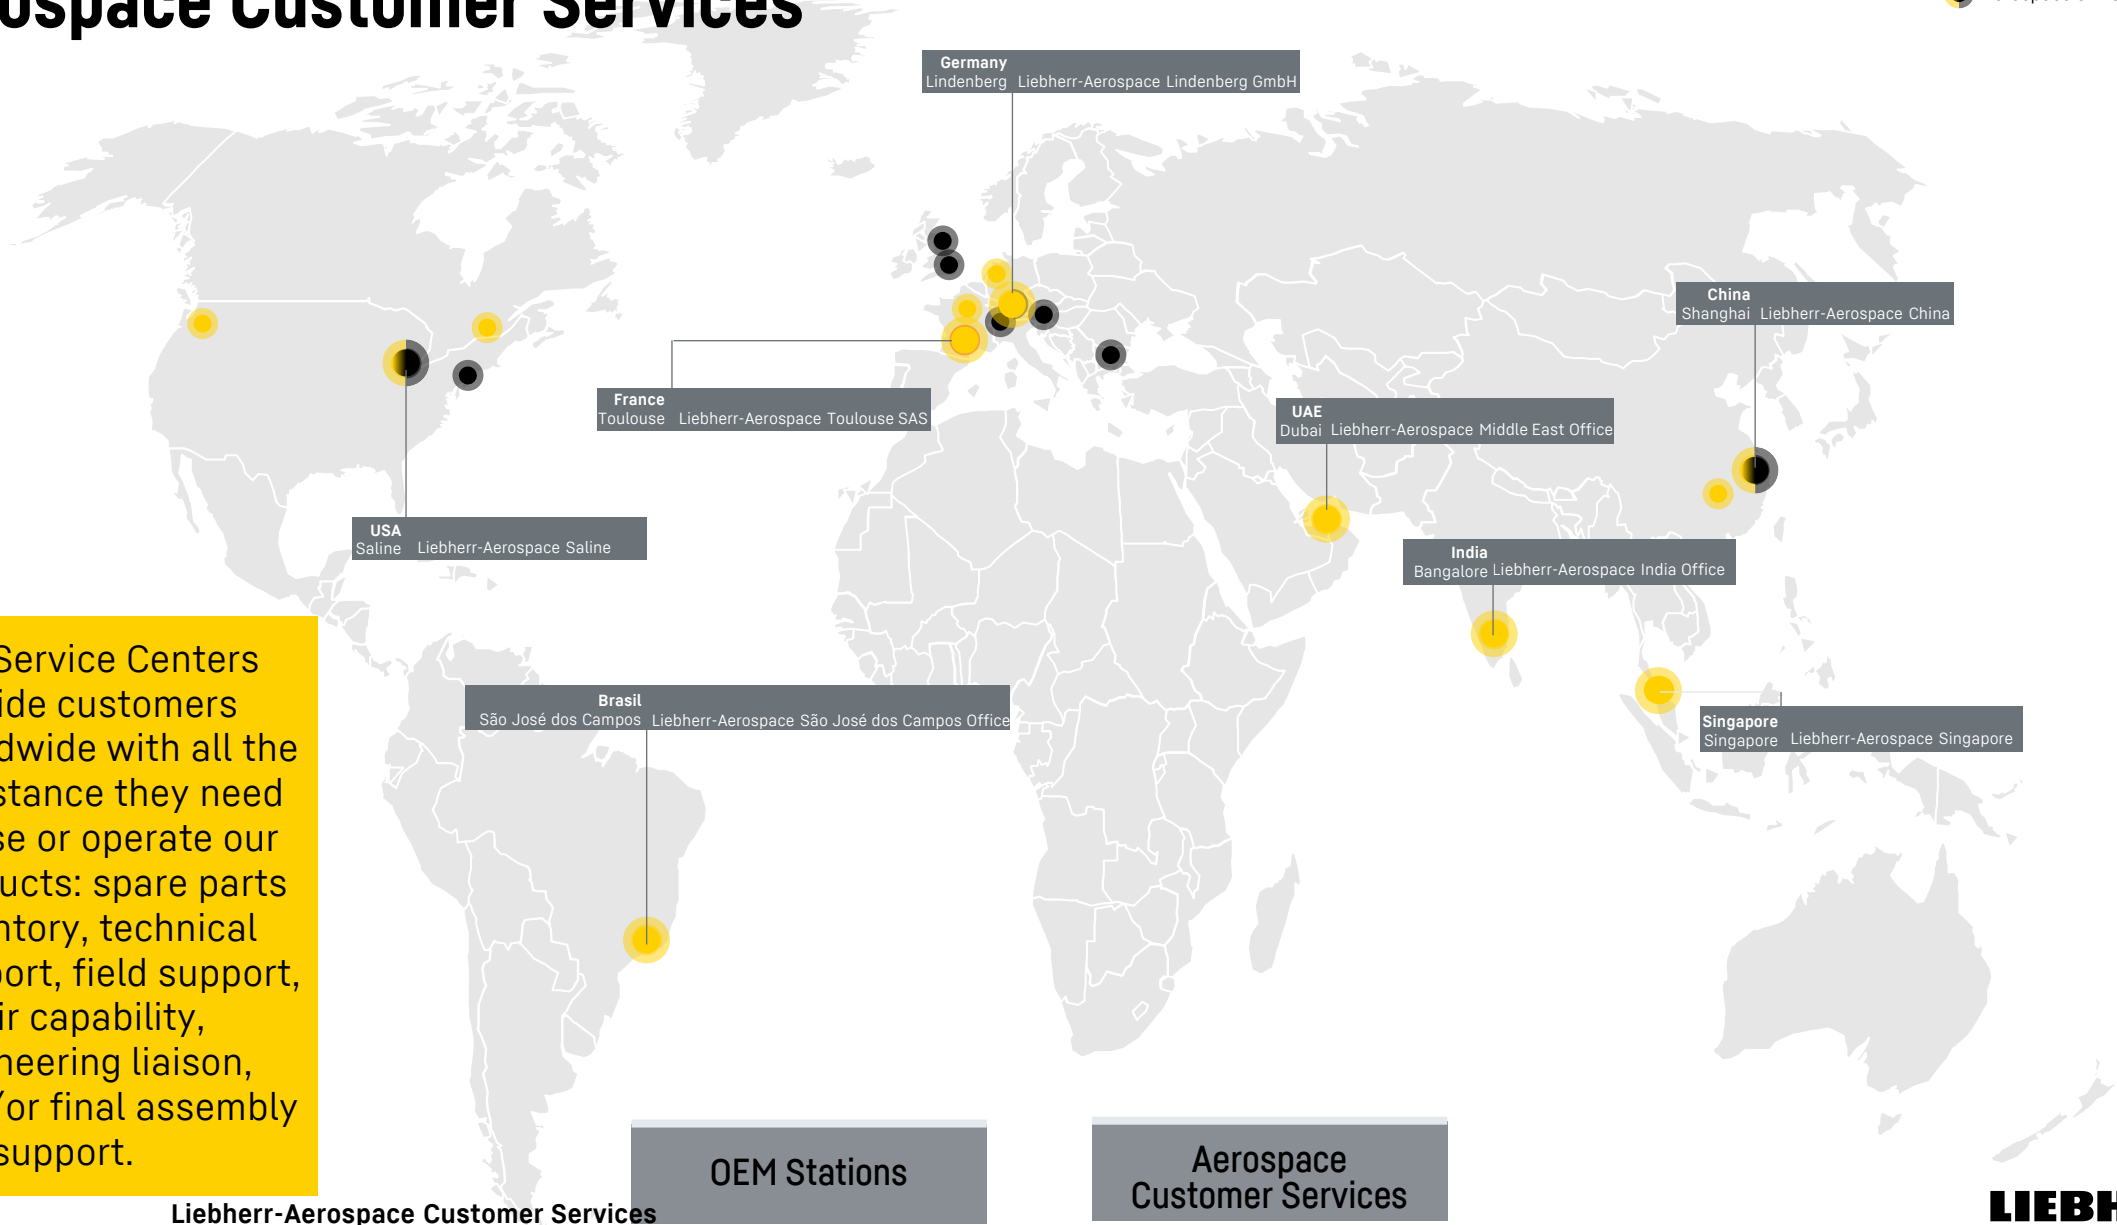

Service Centers provide full range of support of our products and extended services.
LLI & LTS are equal Regional Service Centers.

Offices provide local presence for any enquiry customers may have, and Joint Venture Companies

Sites

Aerospace Customer Services

- Headquarters Toulouse
- Aerospace
- Transportation
- Aerospace & Transportation

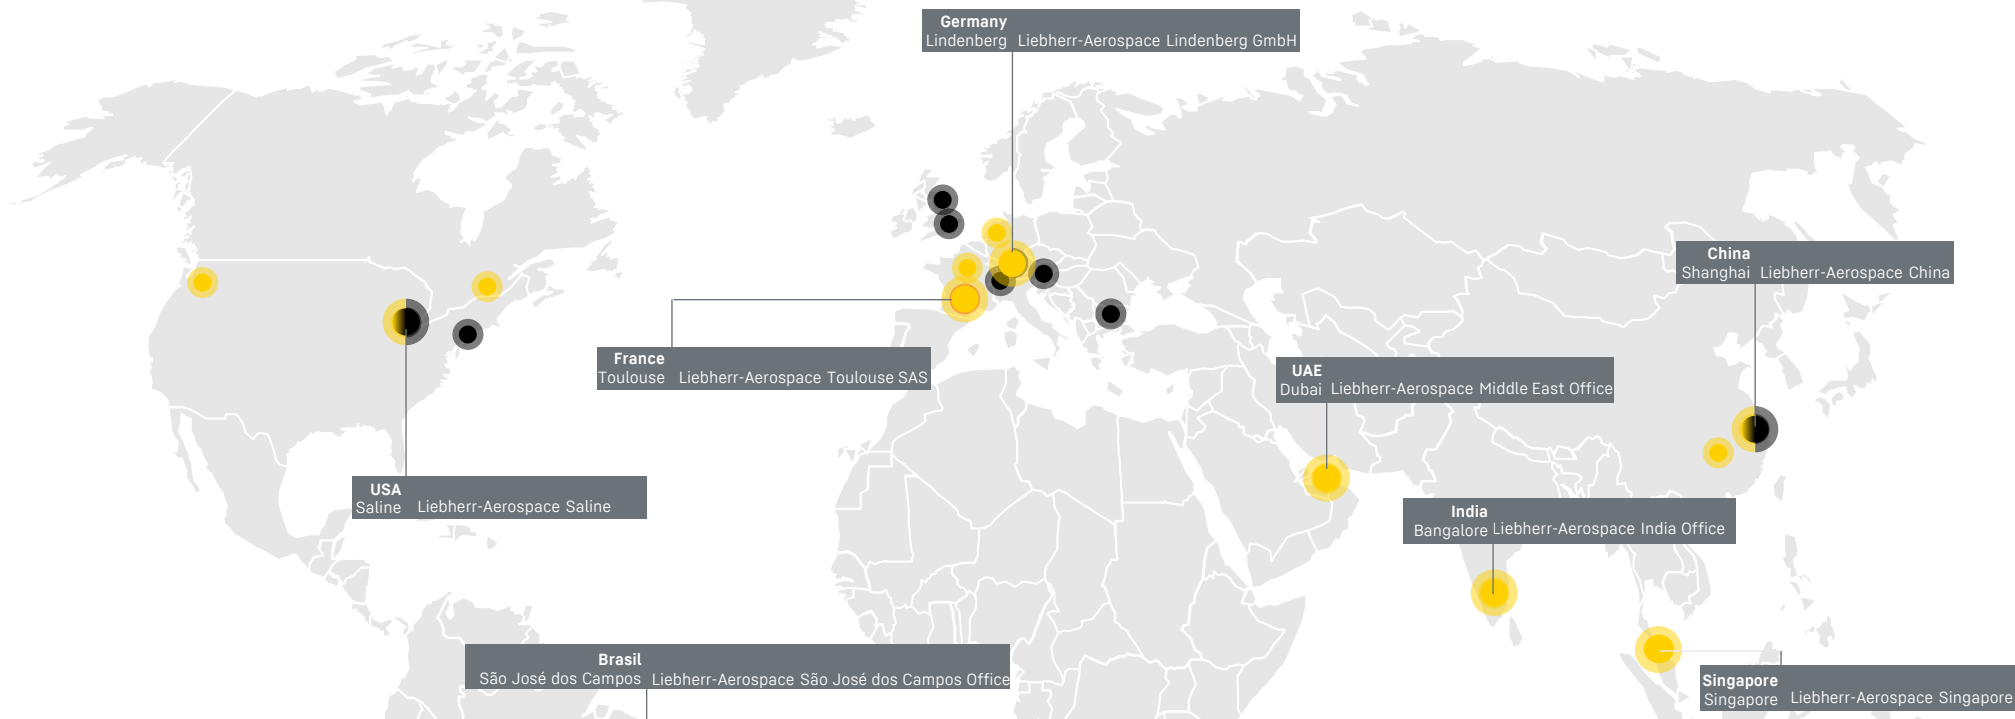

Our Service Centers provide customers worldwide with all the assistance they need to use or operate our products: spare parts inventory, technical support, field support, repair capability, engineering liaison, and/or final assembly line support.
