Around the world

A woman with dark hair in a ponytail is walking on a concrete bridge or walkway. She is wearing a green and white vertically striped short-sleeved shirt, dark blue jeans, and white sneakers. A bright yellow scarf is draped over her shoulders. She is carrying a black bag in her right hand and is looking towards the right with a smile. The bridge has a metal railing with a wire mesh pattern. In the background, there are concrete pillars and a clear sky.

High collar & removable hood

The high collar provides reliable protection against wind and rain. The detachable hood can be individually adjusted with a drawstring and fits perfectly, ensuring optimal protection in any weather.

Subtle details

The stylish yellow accents give the jacket its distinctive Liebherr look. Details such as the yellow zipper pulls and the reflective logo on the upper back add modern highlights and ensure a strong, confident appearance.

Pocket wonder

The many large and small pockets offer plenty of space, ensuring that your wallet, phone, and keys are always within easy reach and safely stored.

Lined inner pockets

The softly lined inner pockets provide a cozy feel and keep your hands pleasantly warm on cooler days.

Climate all-rounder & windproof

The 3-in-1 jacket is a true all-rounder for any weather. On cold days, the combination of outer and inner jacket provides pleasantly warm protection. In milder temperatures, the inner jacket can be worn separately, offering maximum flexibility and optimal comfort.

The elastic drawstring at the hem ensures a perfect fit, effectively keeps the wind out, and provides a pleasantly warm wearing experience.
