A 100 % family-owned company

The Liebherr family stands behind a common goal of redefining what’s possible for the benefit of our customers. Established in 1949, Liebherr has always been a family-owned company. This fact is reflected in our daily working environment – for example in the strong team spirit among our workforce.

We are all part of a family-owned company that offers enormous freedom for initiative and independence. But stability is extremely important at Liebherr, too. Apart from ensuring that we remain a pioneer of forward-looking innovations for our customers and partners, it also means job security for our employees.

‘At Liebherr, everyone knows his role. We all work towards a common goal with purpose, efficiency and composure.’
