## Composite panels – bottom lining LVP

### Your benefit

- Increase of lifetime from 1.3x up to more than 2x\*
- Precisely fitting due to original parts from Liebherr
- Less downtime
- Easier and faster change

\* depending on material mixture; LVP = Liebherr composite panels

### Longer lifetime by Liebherr composite panels LVP

The new LVP lining for ring-pan mixers offers highest wear protection.

Benefit from lower operating costs due to considerably higher lifetimes.  
For maximum economic efficiency we additionally recommend our armoured mixing tools.

Liebherr composite panels LVP are available for the mixer sizes R/RIM 1.0 - 3.0

By participating Liebherr-Servicepartners only (see back side). Delivery while supplies last.

Please do not hesitate to contact us, if you require further information about our composite panels LVP.
