

## **Liebherr-Aerospace to Maintain Landing Gears of Royal Jordanian's Embraer Jets**

**February 2013.**

Liebherr-Aerospace recently closed a deal with Royal Jordanian (RJ) to repair and overhaul the landing gears of the airline's three Embraer 175 and five Embraer 195 jets. The contract was signed at MRO Middle East 2013 in Dubai (UAE). According to the five-year agreement, the overhaul program will be carried out at the facility of Liebherr-Aerospace Lindenberg GmbH in Lindenberg (Germany).

RJ is pleased to partner with the company, which was selected not only for its high reputation and long experience: Liebherr-Aerospace is also the Original Equipment Manufacturer (OEM) of the Embraer 175 and 195 landing gears.

### **Liebherr-Aerospace is a leading supplier of systems for the aviation industry**

Liebherr-Aerospace & Transportation SAS, Toulouse (France), is one of ten divisional control companies within the Liebherr Group and coordinates all activities in the aerospace and transportation systems sectors.

Liebherr-Aerospace is a leading supplier of systems for the aviation industry and has more than five decades of experience in this field. The range of aviation equipment produced by Liebherr for the civil and military sectors includes flight control and actuation systems, landing gear and air management systems. These systems are deployed in wide-bodied aircraft, single aisle and regional aircraft, business jets, combat aircraft, military transporters, military training aircraft, civil helicopters and combat helicopters.

Liebherr's aerospace and transportation systems division employs over 4,000 people. It has four aviation equipment production plants at Lindenberg (Germany), Toulouse (France), Guaratinguetá (Brazil) and Nizhny Novgorod (Russia). These production sites offer a worldwide service with additional customer service centers in Saline (Michigan/USA), Seattle (Washington/USA), Wichita (Kansas/USA), Montreal

(Canada), Sao José dos Campos (Brazil), Hamburg (Germany), Moscow (Russia), Dubai (UAE), Singapore and Shanghai (People's Republic of China).
