LIEBHERR EXPANDS CANADIAN FOOTPRINT WITH THE OPENING OF A NEW BRANCH IN SUDBURY, ONTARIO

Liebherr-Canada is pleased to announce the opening of a new branch in Sudbury, to enhance service to customers throughout northern Ontario. This continues Liebherr's expansion in the Canadian market.

Recognizing the importance of projects in northern Ontario, the new branch brings Liebherr equipment specialists closer to existing customers and provides dedicated local service in the region.

Liebherr's Sudbury branch – its 10th in Canada and second in Ontario - serves as Liebherr's northern Ontario hub and provides rapid technical assistance, field service, and local parts distribution to our customers.

ABOUT LIEBHERR

TOGETHER. NOW & TOMORROW.

Liebherr is a family-owned company and one of the world's largest manufacturers of heavy equipment. The German-based company has locations in more than 50 countries and a global workforce of 48,000 employees. Liebherr offers a wide range of heavy equipment in many sectors including construction, forestry, manufacturing, transportation, mining, and recycling. Liebherr's products include excavators, dozers, wheel loaders, material handlers, mobile cranes, and deep foundation applications. Liebherr also manufactures domestic appliances for the international market and operates six first-class hotels in Ireland, Austria, and Germany.

PARTS, SERVICE & SOLUTIONS

Liebherr-Canada offers repair services throughout Canada with mobile field technicians available around the clock, seven days a week. To meet customer demand and new machine technology, all Liebherr technicians are enrolled in yearly training programs. Our shop facilities and service trucks are equipped with top-of-the-line specialty tooling to ensure diligent and efficient service.

We offer a variety of online services via MyLiebherr.com, which allows customers to conveniently access Liebherr's parts pricing, availability, and ordering options.

LARGE PARTS INVENTORY.

Liebherr-Canada stocks more than \$25 million in spare parts in three main warehouses located in Laval (QC), Burlington (ON), and Edmonton (AB). In addition, our secondary service locations provide enhanced support with readily accessible specialized stock.
