Liebherr – Giving a Name to Innovation

In 2018, Liebherr Maritime Cranes is celebrating a year of innovations with exciting new products. Be the first to lay eyes on the latest member of our Liebherr Reachstacker family and experience its versatility at our Liebherr booth.

Discover a comprehensive range of products, technologies and services – made by Liebherr. We have the pleasure of inviting you to take a look at the maritime future:

- Reachstacker LRS 545 – Discover the enlargement of our product range
- LiDAT Smart App – Big Data Analytics for your port
- Harbour Crane LPS 420 E – Liebherr's first purely electrical portal crane
- Ship Crane CBG 360 – The latest four rope grab crane
- Offshore Crane HLC – Liebherr's largest crane ever built
- Container Cranes STS, RMG and RTG – The latest innovations in container handling

Join us at the Liebherr booth D60.
